

Fresh Local Shiitake Mushrooms **Direct from our farm to your table**

Double E Forest Farm's log-grown shiitake season begins the third week of June and continues twelve weeks to early September. Once again, the share includes 12 weekly bags each containing 12 ounces of freshly harvested mushrooms.

Our shiitake share offers you fresh, delicious and highly nutritious log-grown shiitakes for much less than you'd pay at the store. The full share is \$120--just \$10 per week. Half shares are \$60 and can be taken weekly as a half portion (6 oz) or as a biweekly full portion. Our distribution options coincide with those of the [Full Plate Collective](#), including home delivery (please add \$1 per week) and the following pick up locations for members and non-members alike:

Wednesdays from 3pm to 7pm at Stick and Stone Farm just north of Ithaca.
Thursdays from 3pm to 7pm in "Press Bay Alley", 116 W Green St. Ithaca.
Fridays from 4pm to 6pm at Salt Point Brewing, 6 Louise Bement Lane.
Saturdays from 10am to 1pm at Three Swallows Farm in Danby

No delivery to group pickup sites.
